SAVE THE WHALES

WHY WHALES? WHY NOW?

WHALES ARE THE MOST SOCIAL AND INTELLIGENT OF ALL MAMMALS AND ARE THE ONLY MAMMALS THAT LIVE IN THE OCEAN. THEY ARE ALSO THE ONLY MAMMALS THAT CAN LIVE IN THE OCEAN FOR THEIR ENTIRE LIVES. WHALES ARE ALSO THE ONLY MAMMALS THAT CAN LIVE IN THE OCEAN FOR THEIR ENTIRE LIVES.

THINKERS & FEELERS

ALL EXTREMELY SOCIAL CREATURES, WHALES ARE ALSO EXTREMELY INTELLIGENT. THEY HAVE BEEN OBSERVED TO USE TOOLS, HAVE EMOTIONS, AND REMEMBER NAMES. THEY HAVE ALSO BEEN OBSERVED TO HELP OTHER WHALES IN DISTRESS.

SOME BIG OL' BRAINS

WHALES HAVE BIGGER BRAINS THAN HUMANS. THE WHOLE BRAIN OF A WHALE IS LARGER THAN THE WHOLE BRAIN OF A HUMAN. THE WHOLE BRAIN OF A WHALE IS LARGER THAN THE WHOLE BRAIN OF A HUMAN.
